# Lasting Beauty without all the Maintenance...

Western Materials fence block products are a perfect choice for those who want a beautiful, maintenance-free fence or wall. The sturdy construction offers improved privacy over other fencing options and reduces outside noise. You can be sure you will never have to install another fence, as the life expectancy of a block fence is 100 years, while wood or vinyl only lasts 7-10 years.

## HIGHLIGHTS:

- Increased Privacy & Safety
- Noise Reduction
- Durable
- Long Lasting
- Maintenance Free
- Attractive
- Sturdy Construction
